**Disadvantaged Business Enterprise (DBE)  
Anniversary Date: July 12, 2023**

Dear Mr. Gaines:

The Small Business Development Department of the Greater Orlando Aviation Authority (Authority) is pleased to announce that your firm, **SimRobotics Corp.** has been certified as a **Disadvantaged Business Enterprise (DBE)** in accordance with **49 CFR, PART 26.**

**Your firm has been certified under the North American Industry Classification System (NAICS) Codes listed on page 2 of this letter.**

Your firm will be listed in **Florida's Unified Certification Program (UCP) DBE Directory** which can be accessed via the Florida Department of Transportation's (FDOT) website at <https://fdotxwp02.dot.state.fl.us/EqualOpportunityOfficeBusinessDirectory>. As long as the firm is listed as a **DBE** in Florida's UCP DBE Directory, it is considered **DBE** Certified by all Members of the Florida UCP.

**DBE** certification is NOT a guarantee of work, but enables the firm to compete for, and perform, contract work on all USDOT Federal Aid (FAA, FTA, and FHWA) projects in Florida as a DBE contractor, sub-contractor, consultant, and sub-consultant or material supplier.

**DBE** certification is continuing from the date of this letter. However, it is contingent upon the firm renewing its eligibility annually. Your current Anniversary Date is **July 12, 2023**. For continued eligibility, a **No Change Declaration (NCD)** form must be submitted to our office annually. While we will make every attempt to notify you prior to the anniversary date of your certification, it is ultimately your responsibility to provide a NCD to our office. You may complete your NCD online at <https://goaa.diversitycompliance.com>. To help facilitate the processing of your NCD prior to your anniversary date, **please submit your NCD and all required documentation ninety (90) days in advance of your anniversary date**. Failure to timely submit your annual NCD may result in the removal of your firm as a **DBE**.

If there is a material change in the firm, including, but not limited to: ownership, officers, directors, scope of work being performed, daily operations, affiliations with other businesses or individuals or physical location of the firm, you must promptly notify this office in writing. Notification should include supporting documentation.
